Bequests to Effective Organizations

The good steward prepares for the future. One way to do this is to prepare your will.

When you do, we ask you to consider PRI as a beneficiary. Including PRI is quite simple, and even a small gift of $5,000 or $10,000 can go a long way towards helping women and children around the world.

PRI has been helping families for over 20 years! Our work has cost abortionists like International Planned Parenthood and the UNFPA over $790 million, with a good portion of that redirected to family friendly programs like Child Survival.

That’s an impressive cut of $5000 for every $50 you’ve donated!

If you’d like your legacy to be a part of this life saving work, please contact our Vice President, Joel Bockrath, today at 540.622.5240, x206.

Simple wording works well:
I bequeath to Population Research Institute, Inc., whose address is 1190 Progress Dr, Suite 2D, Front Royal, VA 22630, USA, the sum of......dollars (real estate, stock, etc.) to use in the manner for which PRI was incorporated.
